

PORTABLE HANDWASHING STATIONS

Highest quality. Fastest delivery. Commercial grade.

Handwashing protocols have created surging demand for portable sinks, leaving businesses and organizations scrambling to find suppliers. We're here to help with superior, handcrafted indoor and outdoor units priced lower than the competition.

- *No plumbing required*
- *More than 75 handwashes before refill*
- *Compact to fit any space without plumbing*
- *Limited assembly required*
- *Hygienic and easy-to clean solid surfaces*
- *Standard outlet connection required*
- *Tankless water heater*

All units are completely customizable and can be matched to your existing or new specifications.

I contacted Britten a few days after I started looking for portable sinks. I needed 7 and I needed them in 2 weeks. I was assured that I would have my sinks when I needed them, they did not disappoint. I received them 2 days before the timeframe given and they actually delivered them to me personally. We are at least 6 hours away, this showed me that my need and timeframe mattered to them.
